“

I'm very happy to know that Race2IAS has completed 10 years. Sustaining an initiative for a decade speaks to its relevance and the trust it has earned. Giving students the chance to experience the Civil Services Examination at an early age is truly commendable—it removes fear, builds confidence, and shapes responsible citizens and leaders.

May it continue to guide and inspire many more young minds in the years to come. My best wishes to the entire team and all the students.
